ASSOCIATE MEMBERSHIP

Led by a team of experienced health care policy and advocacy experts, the Texas Association of Health Plans (TAHP) is the statewide trade association representing health insurers, Medicaid plans, Medicaid Advantage plans, and other related health care entities operating in Texas.

For three decades, TAHP has been a leader on issues that improve the lives of individual Texans and strengthen the health care industry as a whole.

Why TAHP?

TAHP represents all major commercial health plans and Medicaid managed care organizations in the State of Texas and is one of the foremost voices on health care issues in Texas. An Associate Membership with TAHP is an invaluable tool that will equip your organization with critical regulatory and legislative advocacy support on priority issues, keep you informed with real-time updates on industry, legislative, and regulatory developments, and enhance your organization by assisting you in making key connections with major health plans and policymakers.

Health Plan Partners— Associate Membership: \$7,500*

The Associate Membership is available to limited service and single service HMOs and to other companies that partner with health plans to manage care including but not limited to vision health organizations, behavioral health organizations, dental managed care organizations, pharmacy benefit managers, and transportation management organizations.

Become a Member

As a TAHP Associate Member, you will have access to a number of valuable benefits, including:

- *Tailored, effective advocacy by a team of seasoned health care and government relations professionals*
- *Enhanced networking assistance in coordinating contacts and face-to-face meetings with major health care plans and at the Texas Capitol*
- *Exclusive access to members-only events with TAHP health plans and key policymakers*
- *Access to members-only industry and policy information including regulatory and legislative analyses and updates*

Membership Dues*

Annual dues for an Associate Membership are \$7,500. The TAHP dues cycle starts July 1. Any new members enrolling after the new dues cycle begins will pay on a prorated basis.

Please contact TAHP's director of operations, Patti Doner, for more information or if you would like to sign up as an Associate Member today: (512) 476-2091 or pdoner@tahp.org.

*Membership annual dues rates are subject to change without notice.

BUILD INFLUENTIAL RELATIONSHIPS

The Associate Membership includes advance notice of sponsorship and speaking opportunities, as well as free or discounted access to all of our valuable networking and educational events.

Annual Managed Care Conference & Trade Show

Our annual conference and trade show has become the largest managed care conference in the state of Texas. Health care executives from across Texas assemble for three days of dynamic speakers, educational panel discussions, social events for networking, and a trade show featuring the latest in cutting-edge health care technology products and services. The conference also provides attendees with the opportunity to earn continuing education credits.

Medical Directors Forums

These quarterly, invitation-only events offer our health plan Medical Directors the unique opportunity to interface with their peers and hear from state and national experts as they discuss common challenges and best practices. As an Associate Member, you will have the opportunity to help sponsor these dynamic forums and promote your organization with some of the leading health plan decision-makers in Texas.

“Food for Thought” Legislative Lunches

Offered during the legislative interim, our monthly “lunch and learn” series offers Capitol staffers concise, informative briefings on the most pressing health care issues they will address in the upcoming legislative session. As an Associate, you will have the opportunity to sponsor these lunches and have your organization promoted among legislative staff as well as other TAHP members.

TAHP Networking Events

Year-round, TAHP hosts networking events, including receptions with members of the Legislature, staffers, and TAHP health plans in informal and fun settings like Franklin BBQ that allow for your organization to make important connections with other TAHP members and key Texas leaders and their staffers.

CEO Networking Dinners—Opportunities to Host

Year-round, TAHP organizes networking dinners that provide an opportunity for our health plan CEOs to come together and make valuable connections, and as an Associate Member, you will have the opportunity to host these high-level dinners and interface with health plan executives.

TAHP Legislative Day at the Capitol

TAHP hosts a Legislative Day at the Capitol for our Associate Members that includes a full day of networking opportunities, meetings and briefings with key members of the Texas Legislature as well as top staffers from the offices of the Governor, Lt. Governor and Speaker of the House.

EXPERIENCE THE BENEFITS

As an Associate Member of TAHP, your company will have access to a number of members-only materials, publications, and updates prepared by industry, policy, advocacy and communications experts with decades of experience.

A members-only, comprehensive weekly newsletter that provides inside-track information about recent and upcoming hearings, industry-related meetings, TAHP analysis of legislative and regulatory proposals, industry developments, a calendar of upcoming events, political updates and more.

Daily news clips assembled by the TAHP team that highlight the top headlines from the health insurance and health care worlds, as well as important political updates, both nationally and in Texas.

TAHP's external newsletter highlights the value of health plans and the efforts by health plans to improve quality, enhance access and ensure affordability of health care, both in the commercial market and in the public sector in Texas.

Our team of experienced government relations, policy and communications professionals ensure our members are promoted for individual efforts and initiatives aimed at improving the health care system in Texas. We include regular spotlights of our members in TAHP materials as well as on social media.

Access to regulatory news and announcements, stakeholder meetings and in-depth regulatory analysis by TAHP policy experts on rules and regulatory changes impacting health insurance and Medicaid plans, including access to official TAHP regulatory comments.

Regular updates and announcements on the Texas legislative process including summaries of key hearings, notice of any movement or consideration of key bills, copies of witness presentations, copies of TAHP testimony, as well as interim charge analysis.

TAHP monitors and tracks every piece of legislation filed with the Texas Legislature that impacts the health insurance industry and Medicaid plans. With your membership, TAHP will provide you with timely tracking, in-depth legislative analysis and TAHP positions on all relevant legislation.

TAHP-produced materials that include one-page primers on a variety of health care-related issues as well as more extensive kits that delve into topics like the value of health plan networks or the savings and achievements of Medicaid managed care.

These regular calls keep TAHP members apprised of relevant legislative and regulatory issues.

Access to position papers on priority legislation—including bills that the industry supports and opposes. These materials include legislative fact sheets and talking points as well as helpful infographics.
